Good Afternoon Community Partners:

I hope your week is going well.

Please see forwarded email from LAUSD. There is an upcoming community meeting regarding the San Pedro High School Campus Modernization project on Tuesday, October 3, 2017, 6pm in the San Pedro High School Auditorium. At your earliest convenience please distribute to your respective contacts. The architects need input on the latest SPHS campus design concept, and will also present the Draft Environmental Impact Report (DEIR) in order to solicit comments and suggestions regarding potential environmental effects of the construction on the community.

Thank you for your assistance!

Sincerely,

**Ryan Ferguson | San Pedro Field Deputy
